**No obligation, initial consultation**

Call to talk through your plans for your practice and we can provide you with general comments about your options. LANZ.Dental can assist you by providing an independent valuation of your practice.

**Practice Valuation** Fee **\$2,500**

We have found that a written valuation is an essential marketing tool and the basis of a successful marketing programme - as it helps identify a price range. LANZ.Dental can provide a written practice valuation appraisal by an experienced valuer of dental practices.

**Sales Ready** Fee **\$1,000**

If you've already had a valuation done within the last 12 months, then we won't need you to do another. But we still need to review your practice and get it sales ready for success. This can include support and advice around your employment contracts, lease, Exact reports, website, and initial marketing.

**Practice visit**

If a visit to your practice is requested/required a fee of **\$350 plus disbursements** will be charged.

**Dentist purchasing your Practice**

If any Dentist that LANZ.Dental has placed with your practice, purchases your practice within the first 36 months of their placement with you, we will charge a 3% commission fee on the sale price.

All payments are to be made per our [Terms and Conditions](#), referred to on the LANZ.Dental website.

Please ask one of our team for more detailed options on our services and fees.
